Seventeen-year-old Margaret Ostrovskis of Monteith Street, North Altona, recently spent two months studying in Germany. The German dolls are a reminder of her stay there over the school holidays.

CR. WEAVER SAYS WEST WELL OFF

Altona's mayor, Cr. Harry Weaver, is concerned that the "deprived west" publicity campaign may be giving people a false impression of the western suburbs.

The campaign started with two seminars conducted last year by Sunshine Council in conjunction with other western suburbs councils.

Talking to the Star this week, Cr. Weaver said: "The progressive west would be a far more appropriate description of Western Suburbs municipalities.

"Admittedly, we are lacking somewhat in sewerage facilities and some areas of education but, in Altona alone, our eight free kindergartens and modern library facilities are things which many eastern suburbs do not have, not to mention our sports ground.

"Considering the age of our area we should be getting more money for sewerage, though," Cr. Weaver said.

"In the eastern suburbs, new areas are being sewered almost immediately whereas in

southern areas of Altona some people have been waiting 40 years to enjoy the same privilege and they live only 8½ miles from the city.

"At the same time," said Cr. Weaver, "I am appreciative of the fact that a number of people in the east are without sewerage — we are not the only ones.

"But we should certainly get preference because we are older than municipalities like Doncaster, Knox and Eltham.

"At one time Williams-town was the capital of Melbourne but suddenly everything swung east.

"Ever since then the west has had poorer financial assistance but we have not been deprived or backward.

"In Altona we do a lot of things ourselves. We don't wait for government assistance.

"We have actually lent money to the Board of Works to get more sewerage in our area.

"Can you call a city backward or deprived

when it can do things like this?"

Cr. Weaver continued: "Definitely there is a need for the government to feed more money out this way but I cannot see us getting anywhere near the \$700 million that has been asked for.

"My main aim is to get Altona completely sewered and then we will have to campaign for better rail transport.

"Next year our train service will be 50 years old, and it hasn't changed much in that time."

**Yacht club
turns 20**

Altona yacht club will celebrate its 20th birthday with an open day on Saturday, March 17. The club has included the mayor, Cr. Harry Weaver and the founder of the club, Mr. Fred Manning, on its guest list.

Strikes over teacher shortage

Altona and Altona North high schools have serious teacher shortages.

At Altona high, teachers have gone on strike twice in recent weeks over the teacher shortage and accommodation problems.

Yesterday the school was still five teachers below quota.

Altona North high school had its quota of teachers at the start of the year but three teachers have indicated they intend seeking extended leave or resigning before mid-March.

The president of Altona high school's staff association, Mr. Neil Bell, said: "Last week we had a deputation to the Director-General of Education, Mr. Brooks.

"Initially he was a bit hostile — I think he thought we were rabble-rousers — but eventually

he realised that our complaints were genuine."

The school's accommodation problems appear likely to be eased soon.

Tenders have been called — closing on March 14 — for three new classrooms and additional staff rooms in the Matriculation block.

At present however, classes are being held in the library and senior students are forced to study in the corridor.

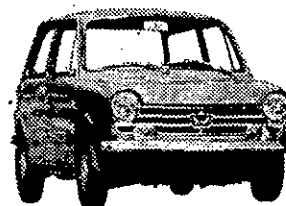

"Therefore we have no

useable library facilities," Mr. Bell pointed out.

The principal of Altona North high school, Mr. R. Roberts, said: "Unless the three teachers who have indicated they intend leaving are replaced, major modifications to our timetable will be necessary."

Mr. Roberts said the school was desperately short of both a physical education and an art teacher.

**Presented
to the
Governor**

■ Mrs. Muriel Watts, who lived in Williamstown most of her life, was presented to the Governor, Sir Rohan Delacombe at a garden party in Government House last week.

Mrs. Watts, well-known for her work in the Australian Red Cross was presented to the Governor by Mrs. Eccles McKay, chairman of the Victorian Divisional Council of the Red Cross.

The last time Mrs. Watts was a visitor in Parliament House was in 1901, when she was a guest at a garden party in honor of the opening of the first Federal Parliament.

This year's Red Cross Appeal is for \$700,000 to maintain the normal services carried out by Red Cross, including the blood bank, fire relief and emergency services.

NO HOME BREAD

There will be no household deliveries of bread on Monday, (Labor Day holiday) but there will be full deliveries of fresh bread to shops and cafes.

Proving they are women; not girls

By MARIANN HEIMANS

The lot of a district nurse really separates the women from the girls.

Some of these "women" may be girls in years, but they are mature enough to deal with all kinds of emergencies.

These emergencies may include an unexpected heart attack, or a sister could suddenly find she lacks the facilities to give urgent treatment.

The latter forces her to improvise by using implements normally found in a home, because unlike a hospital nurse, she does not have everything at her finger tips.

Sister Lee Dinham, an attractive brunette, is typical of the enthusiastic district nurses who work in the western suburbs.

they often care for a whole family.

They may be asked to give medical treatment to a couple of children and find it is not only the children who need attention.

It could be a sick, overburdened mother or a father out of work and in financial difficulties.

Don't know of help.

"A great number of people are not aware of what benefits they're eligible for and we can help them," Sister Anderson, the supervisor of the centre said.

Dressed in a smart blue and white uniform, she visits patients in Werribee, Laverton and Altona.

She said she became a district nurse because it's a change from hospital nursing and she finds it much more satisfying.

The sisters at the Footscray Centre of the Royal District Nursing Service don't just treat one patient at a time —

Youth Centre

Williamstown Youth Centre elected the following officers at the recent annual general meeting:

President, Mr. T. N. Webb, vice-presidents, Mr. N. Craven, Mr. G. McCallum, secretary, Mr. D. Lawerson, assistant secretary, Mr. K. Howard, treasurer, Mr. R. Malbon. General committee — Mesdames J. Brown, M. Howard, L. McLeod, B. Pedley, G. Smith, J. Webb. Messrs. F. Brown (manager), F. Bristow, N. Craven, G. Gladman, T. Hambling, G. McCallum, F. Milton, N. Speakman.

Williamstown Council was represented by Cr. R. Dawes.

The special problems.

After assessing the home conditions of elderly people, the sisters proceed to make their lives easier, by putting hand rails into baths to prevent slipping, or providing bath seats for the weak, or a four prong stick to those who can't walk unaided.

If they find a person, whose diet is inadequate, they contact meals on wheels services.

During January, the centre looked after 379 patients.

FRIENDS AT CIVIC HALL POP DANCE

Australia's top rock and roll band, Friends will be in action at Altona Civic Hall on Friday night, March 23, for the first of a new series of pop dances in the Western Suburbs.

Friends featuring Leo De Castro, Billy Green, Ray Oliver, Mark Kennedy and saxophonist, Tim Martin will be supported by the very popular band Lord Dog.

If the dance is the success it looks like being, more will follow all over the western suburbs.

A feature of the latest Civic Hall dance will be crazy lighting and continual music between brackets.

With the new sound of Tim Martin on saxophone, Friends have one of the best sounding bands in the southern hemisphere.

Other members of the band, Leo, Billy, Ray and Mark, will all be remembered for their performances as King Harvest.

Lord Dog have a wild stage act and are popular because of the number of good oldies they manage to squeeze into their wide rock and roll repertoire.

Doors will open at 8 p.m. and admission will be \$1.60 a head to meet the high overhead incurred by promoters. The moral of the story is: "You've got to spend big to run a successful pop dance: And how."

THEY PLAN TO GET THEIR HORSE (?)

Williamstown police haven't entirely joined "Cade's County" but they are planning to take appropriate action if they detect horses being ridden on pedestrian crossings.

In a letter to Williamstown Council, the officer in charge at Williamstown Police Station advised that the police would give the matter of horses obstructing traffic and pedestrians immediate attention.

Val's Column

Hello Girls,

Remember the old wooden clog girls? Let's see, that must have been two years ago! Now we wear smartners. Scholl give us smart leather-look footwear in antique brown and beige. Very dressy.

And look here girls — we've good news for you, we are specialising leather-look sandals that are usually \$12 now down to \$9.50.

Of course we still have in stock the summery look in Cut-out, Interweave and Two Strap styles.

Remember Scholl is at the bottom of today's freedom movement!

Keep up your summer color even through the dullest of days. Ultra Leg Bronzer by Coty. Four colors either in cream or foam form. You can have beautiful tan color, so natural looking. It glides on transparently — you may prefer the tube, this cream contains sunscreens for further summery days — but this is not a waterproof cream girls.

For a more permanent color, ask for Ultra Leg Foam and you will be delighted by the ease of the glide-on foam application (give it a minute then lightly rub it over and see the glow, the shine) So natural, you need no stockings. It will hide any imperfections on your skin. The color lasts through your showers.

Why stop at leg? It looks glamorous on shoulders backs and arms for evening wear. Just ask for Sheer Puffery Foam Bronzer for your face color.

Ultra leg foam for stay-on gleaming body color or Ultra leg tube Leg Bronzer in the tube.

Bye.

Suburban Newspapers

Legal Action

Legal action is being taken against a man who sold ice creams from a van in the Esplanade area on Sunday, Feb. 18, and breached the hawkers' by-laws.

Reporting to Altona Council last week, council's by-laws officer said that, following a complaint, he observed two vans operating in the area.

He said that while he was interviewing one hawker, the other warned of his presence, drove off.

An Altona woman stole shoes and clothing worth \$80 from the business where she worked in Essendon Moonee Ponds Court was told last Friday.

Mr. G. Moon, SM, fined the woman \$100, in default a month's imprisonment.

Patricia Mary Gorski, of Harkins Court, Altona North, pleaded not guilty.

Police said they interviewed Gorski last December 6, at her home.

A search of the house uncovered some of the stolen goods, they said.

At Moonee Ponds police station, she admitted the thefts, they alleged.

Gorski's counsel said she was a married woman with four children.

It appeared she had been encouraged by other employees to steal the goods, he said.

VALUER RESIGNS

Mr. W. S. Long has resigned as city valuer with Altona Council to take up the position of permanent valuer to the Shire of Werribee.

His resignation takes effect from March 16.

Receiving advice of Mr. Long's resignation at last week's meeting of council, Cr. Doug Grant successfully moved that the matter be referred to council's staff planning committee for further discussion.

HE BREACHED TRUST, SM SAYS OF MAN

An Altona man charged on two counts of larceny as a servant had breached a trust placed in him and deserved to be punished, Mr. G. Miller, SM, said at Footscray Court last Thursday.

The court was told the man stole meat worth \$11 and \$35 in two thefts more than a month apart.

Steak worth \$11 had been stolen between January 21 and February 23 this year and the \$35 theft — also steak — was on February 23, police told Mr. Miller.

Mr. Miller said Emmanuel Seribera, of Severn Street, had planned the thefts in such a way he took enough to last him for some time.

Earlier, the man's counsel had asked for leniency on the grounds that Seribera, aged 23, and married with a young child, had no police record.

He had been in Australia about three years and some members of his family for up to 15 years without being in trouble, he submitted.

Seribera had no police record in Malta, his native country, either, the counsel said.

He had been employed at Borthwicks, in Brooklyn, for about 18 months before being dismissed for stealing the meat, and was now unemployed.

Detective L. C. Hinneberg, of Footscray CIB, said Seribera had admitted the \$35 theft after a security guard found the meat among his belongings when he knocked off work at 1 a.m. on February 23.

He had said he was foolish and had stolen only once before. He had volunteered the information about the first theft.

For the \$35 theft, Mr. Miller fined him \$60, in default 12 days in prison, and, for the \$11 theft, \$30, in default six days.

Council hot line

Arrangements have been completed for the commencement of Altona Council's seven-day — 24 hour — answering service, which will commence on March 17. The phone number for this service is 63 3968.

The service number should be used for calls for council service outside the normal office hours.

The service will be a personal telephone answering service, with calls relayed to the officers on duty. The service is being implemented for a three-months' trial period.

On staff

Miss Rhonda Douglas has commenced as a Trainee Ledger Machinist with Altona Council and Mrs. L. J. McKie of Robin Street, has been appointed part-time assistant to Mrs. Edmunds at the Lindwood Avenue Kindergarten, for the two extra sessions each week.

Superbug to hit brick walls

Technology acquired through development of Volkswagen's advanced experimental safety vehicle concepts is now being transferred to the production line.

Pictured is a current Superbug which has been subjected to a 30 mph fixed barrier crash.

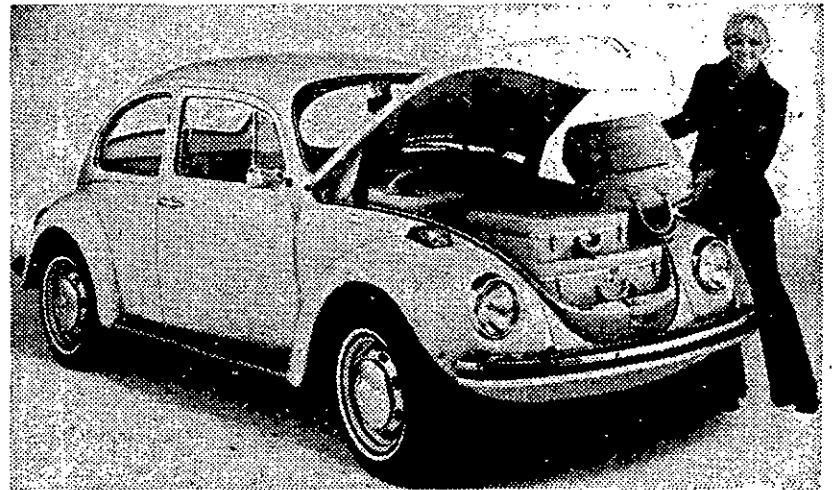

All deformation has occurred forward of the passenger compartment without cabin intrusions.

Doors are operable and the steering column remains in its normal position.

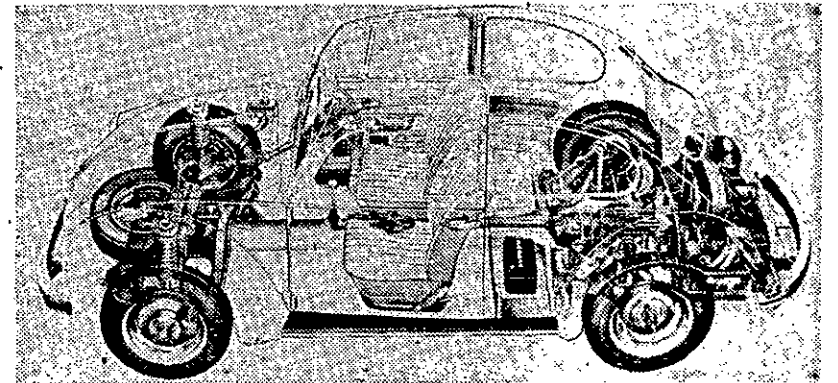

Volkswagen's new addition in 1971, the Superbug boasts of more engineering changes and improvements than any other VW since they first came to Australia 17 years ago.

Superbug displays a cavernous luggage compartment, which has been increased by 85 per cent. over previous Beetle models.

A new front end incorporating strut with coil spring suspension with a wider track allows extra cases, golf clubs and buggy, or a family Esky car fridge to be carried with ease.

● Plenty of room . . . the Superbug opens its "mouth" to take in a big meal of baggage.

● Transparent look at the Superbug's power . . . and where it comes from.

ALTONA'S KEEN TO LEARN: THOMPSON

Altona is tremendously enthusiastic about improving the education facilities in the area, the Minister for Education, Mr. Thompson, told a gathering at Altona West Primary School on Friday.

He was officially opening the \$22,000 school library. Altona parents and friends had proved they were prepared to help themselves, he said. The library could only be described as a long term asset.

Education had changed dramatically in the past 100 years since the formation of the Department of Public Instruction in December, 1872.

Mr. Thompson estimates that approximately 100,000 people were denied adequate education in the late 1800s and 1900s.

He told the gathering of students and parents that the library offered tremendous advantages.

Addressing the pupils, he said it was imperative to find out the facts for yourself whether it be how to play cricket or football. The students would find a book relating to the subject in the library, he said.

He told the gathering the library was well above the usual standard. Unveiling a plaque held by two pupils, he said it was the first mobile opening of a library he could remember in his time as Minister for Education.

He told the gathering a cheque would be forwarded for \$100.

Earlier, the Mayor of Altona, Cr. Harry Weaver, had told the gathering they were fortunate to have 14 schools in the area catering for 9200 students.

Cr. Weaver said apart from the shortage of a "few" teachers the schools were very well equipped.

Kindergartens in the area also cater for 450 children.

Jim Hudson, chairman of the school committee, said a library was essential in this day and age to the life of a school.

The project had been underway for 20 months. Mr. Hudson said the school was fortunate in securing the services of a fine architect who had a good deal of experience in designing school libraries.

The result was a library to be justly proud of.

On the finance side of things, he said they were fortunate in having such a hard working mothers club.

\$9000 towards the cost was contributed by the Government.

Michael Scott and Shirley Jones, both pupils at Altona West State School, select a book from the new \$22,000 library watched by (from left) Mr. R. Whitecross (headmaster), Cr. H. Weaver (Mayor of Altona), Mr. J. Hudson (President, School Committee) and Mr. L. Thompson, Minister for Education.

'BEACHCLEAN' A GREAT SUCCESS

More than 200 children from various youth groups in the municipality participated in a beach clean along the foreshore last Sunday morning.

COUNCIL AND COMPENSATION

Any supplementation of an employee's pay beyond the statutory provision of Workers' Compensation would be a purely voluntary act by council.

HEARING

A public hearing dealing with the environmental effects of the proposed Newport D power station will be held in the dental theatre, Gratton Street, Parkville, on March 26.

Submissions received are now on display on the ground floor at the EPA's offices, 240 Victoria Parade, East Melbourne.

Williamstown council was advised of this by the Municipal Association of Victoria, which said that, although the Federated Municipal and Shire Council Employees' Union in its log of claims served upon councils sought make-up of pay, the claim had not been finalised and therefore was not binding.

The State Accident Insurance Office recently circulated a letter concerning increased payments to employees who are on workers' compensation and whose award requires the employer to make up pay.

The children, accompanied by their leaders, were praised by the mayor, Cr. Harry Weaver, and three other councillors who attended the parade of organisations at 10 a.m.

Cr. Weaver expressed his appreciation of the continuing support by youth organisations in Altona towards keeping the foreshore clean and safe. Altona children have kept the beach clean for 15 years, since council spearheaded the scheme, which has been adopted by a number of municipalities in the east.

Each year the children give up their spare time to clear the foreshore of rubbish and broken glass which is a safety hazard to the thousands of beachgoers who flock to Altona in summer.

The weather on Sunday could not have been better for the beach clean parade remarked one councillor.

Library Asst. resignation

Mrs. M. Newington has resigned as a full time council officer in the Williamstown Library to enable her to take a part time course at the White Horse Technical College for the Library Technician's Certificate.

Williamstown Council was told at its last meeting that Mrs. Newington had been reclassified as part time temporary library assistant until November this year when she will have completed the course at White Horse Technical College.

Parkville battered as Altona hits 457

Altona A grade cricketers went on a run making spree against Youlden-Parkville last weekend.

Resuming at 4/86, Altona batted throughout the day to total 8/457.

As well as being the highest team total made, the highest individual score was also bettered when Michael Oram, in a brilliant display, totalled 133.

The other batsmen performed well with top individual scores being Shaw 66, Page 61, Merrill 61 n.o., Geoff Stephenson 48.

It is to be hoped that this is a glimpse of the form to come in the finals.

Altona A have drawn to play Altona North at Langshaws Reserve in the semi-final to be played next Saturday and Monday.

B Grade

With a lead of four runs on the first innings Myrall closed their innings in the hope of obtaining an outright win.

Altona's second innings got away to a disastrous start and at one stage the team were five for six. Paul Grant and Paul Jenkins were the only batsmen to offer any resistance.

Jenkins batted for in excess of an hour for four runs whilst Grant got 31.

Altona were all out for 45, leaving Myrall 42 runs for outright victory.

These runs were eventually obtained but not before Myrall had lost five wickets in doing so.

C Grade

Telegraph, resuming at two for 23 in reply to Altona's four for 243, were in immediate trouble when Alan Jobson picked up three wickets in the space of five overs.

At this stage Telegraph were five for 51, with Jobson having five for 35.

Michael Calaz was introduced into the attack and was immediately successful.

Calaz, from eight overs claimed the last five wickets to have Telegraph all out for 130. Jobson finished with five for 62 whilst Calaz got five for 25.

Following on, Telegraph were again in trouble against the bowling of Wilson, Diener and Calaz and were dismissed for 95.

Calaz, in another good performance, claimed four for 32. This win gave Altona 76 points for the season and top spot on the ladder.

Club XI

Resuming at one for 35 in reply to Altona's 131, the opposition found the bowling of Neville Healey a little too good and in a desperate attempt to salvage points, declared at seven for 68 with Healey taking five wickets.

Altona, in no hurry, were content to gain batting practice but unfortunately only Patton, Gray and Willett showed any form when the team were dismissed for 65.

With only 15 minutes to play Altona were able to claim three wickets for 15.

Finals draw: A grade — Altona v. Altona North, at Langshaws Reserve. C grade — Altona v. Royal Park, at Grand Reserve. Club XI — Altona v. Newport ANA, venue to be finalised.

Four Willi aths. in finals

Williamstown Athletic Club will field four teams in the semi-finals at Melbourne University next Saturday.

The sub-junior team re- by David Jamieson in 10.9 mains undefeated following last weekend's convincing victory over Old Melbourne.

The 100 metres was won by Robert O'Sullivan in 11.8 seconds — Paul Jamieson and John Sinnott followed both recording the time of 12 seconds.

Later, these three together with Robert Caldwell won the 4 x 100 metres relay in 46.6 seconds.

John Van Denover was the star of the day, winning the discus (100 ft. 7 in., pole vault (10 ft.) and shot put (40 ft. 11 in.).

In the triple jump Tony Gaggins did well in reaching a distance of 38 ft. 10 1/2 in.

The Williamstown under-15 team defeated Old Wesley. Steven Mulholland showed a return to form to win the 1500 metres in 4:26.3. Tony Rogers finished strongly to clock 4:49.8.

St. Kevin's under-14 team was defeated by Williamstown under-14 team, 40-57.

There was a similar picture with the Williams-grade team was not as town under-13 team when they defeated the St. Kevin's under-13 team, 52-24.

The Williamstown B lucky, when they were defeated by Footscray 57-67. The team finished sixth on the ladder.

The 100 metres was won

Junior footy training

Altona Football Club under 15 and under 13 teams will start training, at Grant Reserve on Wednesday, March 14, at 4.15 p.m.

Allen Walgers will coach the under 15 side and Peter Carton will be in charge of the under 13 team.

North strikes sticky wicket

North Altona cricketers struck terror on that "peculiar wicket" again last weekend.

Resuming at 5/28 chasing Middle Park's 64, the North bats crumbled and the first innings was a tie.

Strife started when Tom Carroll received a blow to the cheekbone and had to be replaced.

Tom returned later and battled for 15 runs to even the score.

R. Glazner 12 and C. Harris 10 were the only other batsmen to reach double figures. Middle Park were bundled out for 50 in their second innings.

D. Porter 3/18, C. Harris 2/4, K. Miller 2/6 and A. Perrusich 2/15 "murdered" the opposing bats.

Middle Park's time wasting tactic prevented North from gaining outright points but they remain in the four and play in the semi final next weekend.

Seconds

Chasing Middle Park's 266, North compiled a humble 159.

Garry McGorlick 48, P. Costello 27, H. Black 25, K. Outen 23 and R. Buchanan 15 provided some resistance.

Kindergarten service

Mrs. E. A. Edmunds has commenced duties as director for the additional two session class at Lindwood Avenue Kindergarten. The extra class commenced on Friday, February 23, with an enrolment of 15.

Ten of the mothers who were asked to attend for enrolment on Wednesday last did not appear. Mrs. Edmunds has advised that the initial names on her waiting list would allow a full enrolment of 25 persons.

J. E. MORLEY,
TOWN CLERK AND MANAGER.

CHAMPIONSHIPS THIS SATURDAY

The divisional championships will be held at the Altona Little Athletics Centre at 9.45 a.m. on Saturday.

Children will qualify for the Victorian championships during the event.

Centres competing will be Altona, Williamstown, Sunshine and Laverton.

Because of the championships there will be no competition for the Altona Centre on Saturday and the final day of the centre championships will be held on March 17.

This will be followed by a barbecue lunch.

A regional dinner dance will be held at the Werribee Centenary Hall on Saturday, March 17, at 7 p.m.

Those interested should contact Mrs. J. George on 398 1140.

The results of the third day of the centre championships are as follows:

Under-12 Long Jump:
4.21. K. Saunders (AN) 1, J. Marks (A) 2, J. Robertson (SM) 3.

Confusion in the seventies

Confusions and Australia — The 70's and Beyond are to be discussed at two courses of 10 weeks arranged by the Council of Adult Education.

Mr. E. J. Donath will conduct the course called Australia — The 70's and Beyond. Participants will be able to air their hobby horses whether these be education, abortion, politics, the problems of the western suburbs or something else.

Mr. Niall Brennan, a lecturer, will take an interesting discussion-type course called Confusions. This will enable people to talk about the destructive human failings of hate, cruelty, jealousy, etc.

Historical examples of these failings will be given from Judas to Hitler.

Both courses will be held in the Organisation Centre which is opposite the Altona City Library, 123 Queen Street, Altona.

Enrolments can be made in the library.

Roy Roberts is president again

The principal of Altona North High School, Mr. Roy Roberts, has been re-elected for his third successive term as president of the Metropolitan High Schools Sports Association.

The association, which has 131 schools as members, aims to encourage students to actively engage in sport and to create opportunities for the participation of as many students as possible.

At the annual meeting last week, the Minister for Sport and Recreation, Mr. Ian Smith, was a special guest.

Mr. Smith talked about various proposals which could have a big influence on school sport in the future.

With Mr. Roberts at the helm, the association had an active and highly successful year.

Mr. Roberts' annual report stated: "The 1972 executive committee organised combined championship meetings for swimming and athletics.

"It widened the field of

MHSSA team championship to include both senior and junior competitions in 11 different sports.

"And, in association with the Victorian State Schools Sports Council and the Victorian State Schools Netball Council, it played a major role in the organisation of State and interstate carnivals for boys' football and cricket and girls' netball.

"It also combined with the technical and private schools in the formation of a Victorian Schoolboys Cricket Council, which organised a State-wide competition for an all schools

open age cricket championship.

"A further opportunity for interstate representation for both boys and girls was created in December, when the association hosted a triangular athletic meeting against New South Wales and Queensland.

"It is intended that this will become an annual event and that eventually all other states will become involved.

"The success of an interest in our activities have proved that student participation is relative to the opportunities available."

Altona 'babes' set to rob the Cross of cup

Having thrashed Slavia 5-2 in the semi-finals, Altona City's teenage team will face George Cross full of confidence in the final of the Noor-denne Soccer Cup on Sunday.

The big match will be at Kim Reserve, Millers Road, Altona, starting at 3.15 p.m.

The Altona team which fought back from a 1-2 deficit to make Slavia look like a bunch of beginners featured six

teenagers — Laumets, Gramsberger, Hamill, Burns, Roberts and McNeill. Goalkeeper Laumets is only 15 years old!

Their fine play again demonstrated the fantastic success Altona City has had with juniors.

Recently the club sold 17-year-old Nat Little to South Melbourne Hellas, where he is now starring. Hakoah is eager to sign Mike Micevski and Alex Straubinger. More youngsters are coming on, which

puts Altona coach Joe Deguara in the enviable position of having too many players to choose from.

In last week's semi-final, two of the youngsters were among the goalscorers — Hamill who netted twice and Roberts who scored once.

The others came from oldies Willi Czerni and Tommy Keane.

Cup final opponent George Cross has not been impressive during the series and if Altona maintains its zest and enthus-

iasm it could prevent the Cross taking the Cup for the third time.

However, Altona must beware of Cross striker Joe Cunningham who has scored in five games straight.

Last week he netted twice in George Cross' 3-0 semi-final victory over Hakoah.

Semi-final details:

Altona 5 (Hamill 2, Roberts, Czerni, Keane) d. Slavia 2 (Gilmour, G. Train).

George Cross 3 (Cunningham 2, Fox) d. Hakoah 0.

10 WICKETS IN ONE INNINGS!

Williamstown opening bowler Geoff Horsburgh rewrote the team's cricketing history last Saturday.

Geoff became the first Williamstown player to capture 10 wickets in one innings.

He is the third former Footscray player to perform this feat in sub-district ranks — Rev. Fraser Withington claimed 10 wickets playing for Hawthorn-East Melbourne against Kew 10 years ago and Ron Gaunt took 10 wickets for Yarraville eight years ago.

Mr. Withington is the brother of Rev. Ern Withington, the vicar of Holy

Trinity Church of England, Williamstown.

Geoff, 22, played four seasons with Footscray. He has been with Williamstown since the start of this season.

His previous best figures were 8/22 against district team, Northcote. Saturday's "binge" takes his total for the season to 62.

Williamstown will do battle against Preston in the finals at the Seaside Oval next weekend.

The Seagulls really

sounded their siren loudly at Malvern in the final home and away game and other clubs must beware in the finals which commence this Saturday.

Malvern, chasing 229, went into bat at the start of play but they found Geoff in devastating form and from the first over they were in diabolical trouble.

Horsburgh had three out for zero in the initial over. They were all clean bowled! Lou Dowling was on at the opposite end and he was bowling very tight, but it was Geoff's day and using the track well his figures went on 4 for 1 and then 5 for 2 and still more to come.

Then seven then eight for 14 — 9 for 16. finishing then the last two bats were caught. Geoff left the field triumphantly with the Williamstown players figures of 10 for 26. A great effort Les Joslin was the only other Williamstown bowler in Malvern's poor innings of 54 runs.

They followed on, but Les took Horsburgh off after he had bowled only two overs and was content to try his other bowlers. Lou Dowling had eight overs.

Les Joslin bowled 15 overs. He tried all other players except Bert Park and keeper Tom Ferris. Vice-captain, Dyson, took the last over for the day.

Malvern finished the day with 7 for 128. Scoreboard: Williamstown 229, Malvern 54.

Bowling: Geoff Horsburgh, 9.7 overs, 1 mdn., 10 for 26. Lou Dowling, 9 overs, 3 mdns., 0 for 16. Les Joslin, 1 over, 0 for 0. Malvern 2nd Innings: 7 for 128.

Geoff Horsburgh, 2 overs, 0 for 9. Les Joslin, 15 overs, 5 mdns., 3 for 33. Barry Hewet, 3 overs, 1 mdn., 1 for 10. Lou Dowling, 8 overs, 1 mdn., 1/29. John Fowler, 11 overs, 5 mdns., 1/8. Barry McConnell, 5 overs, 1 mdn., 0 for 8. Kevin Tweed, 3 overs, 1 mdn., 0 for 12. Alan Harris, 2 overs, 1 for 7. Rob Dyson 1 over, 0 for 5.

Malvern, chasing 191, were all out for 55 with John Becroft only using two bowlers — Graeme Coulston and Laurie Hewet.

Graeme captured seven and Laurie the other three. It was a good performance with great fielding especially the catching of young Jeff Dean — three taken at forward short leg.

Alan McLellan kept very well also. Malvern batted again and were 4 for 185 at the end of play.

Williamstown 191. Malvern, 1st Innings — 55.

Bowling: Graeme Coulston, 11.1 overs, 2 mdns., 7 for 24. Laurie Hewet, 11 overs, 3 mdns., 3 for 30.

Malvern — 4 for 185.

Bowling: Graeme Coulston, 7 overs, 1 mdn., 1 for 43; Laurie Hewet, 8 overs, 1 mdn., 1 for 25. Ian McLeod, 6 overs 1 for 19. Norm Shaw, 13 overs, 1 for 69. John Becroft, 2 overs, 0 for 8. Phil McTaggart, 2 overs, 0 for 18.

It was a good effort to finish the season with a win and the players are all looking to a good year next season.

In the second innings against Elsternwick the Thirds were disappointing and declared at 8 for 144 with only two good bats — Noel McLeod again shining with 67 not out and Jeff Salter, 44. In the visitors second innings of 3 for 68, Noel took 3 for 31. This week they go to Preston for the final game.

Pigeon racing

Western Pigeon Federation results last weekend are as follows:

Williamstown: Porter and Lenahan, 1208 ypm 1; Jessup Brothers, 1035 ypm 2; Von Nagy 1032 ypm 3; M. and E. Keyzer, 1028 ypm 4.

Newport: H. Ashley, 1143 ypm 1; J. Saggars, 1126 ypm 2; K. Kwiatkowski, 1066 ypm 3; K. Kelly, 1052 ypm 4.

Altona: R. Saggars, 1074 ypm 1; R. Mizzy, 1033 ypm 2; K. Evans, 1019 ypm 3.

CLUB FOR 'SINGLES'

A week end at the new Warburton Chalet from March 16 to March 18 is one of the activities of the Singles and Formerly Marrieds Travel and Social Club.

The club, which is a non-profit making organisation, aims to introduce the socially bored and lonely.

For further details contact secretary, Mr. Jim Hayward on 29 7247 A.H.

Bowlers had to struggle

Reputations meant little in week-end bowls.

Altona Working Men's Club ladies bowling club, top of the ladder in Section 4 Division 3, struggled against Dandenong Central in the quarter final.

Eventually, AWMC won by one solitary shot.

The ladies could not maintain their form and were defeated 82-98 by St. Kilda FSC the following day.

TREFOIL

Victorian Trefoil adviser, Mrs. Lister, will be guest speaker at Argana Trefoil Guild's next meeting, to be held at the home of Mrs. Bryan, 56 Bardsley Street, Sunshine, on Tuesday, March 20, at 7.45 p.m.

PUBLIC NOTICES

CITY OF WILLIAMSTOWN

NOTICE OF INTENTION TO APPLY FOR AN ORDER-IN-COUNCIL UNDER THE ELECTRIC LIGHT AND POWER ACT, 1958

Notice is hereby given that the Mayor, Councillors and Citizens of the City of Williamstown intend to apply to the Governor-in-Council of the State of Victoria for an Order under Section 10 of the Electric Light and Power Act, 1958, authorising the Council to transmit and supply electricity to the Lower Yarra Crossing Authority franchise as follows.

- Transmit electricity from a point on the municipal boundary between the City of Williamstown and the City of Port Melbourne being a point on the West Gate Bridge structure midway across the Yarra River in an easterly direction into that portion of the Lower Yarra Authority Crossing franchise which lies in the City of Port Melbourne to a point 300 feet south west of the centre line of Ingles Street.
- Transmit electricity for a point on the municipal boundary between the City of Williamstown and the City of Footscray, being a point at the intersection of the Lower Yarra Freeway and Williamstown Road in a westerly direction into that portion of the Lower Yarra Crossing Authority franchise which lies in the City of Footscray to a point approximately 1850 feet west of Williamstown Road.
- Supply electricity at low and medium voltage to all Lower Yarra Crossing Authority installations in the aforementioned areas.

There are no tramways or railways which the applicant proposes to break-up or interfere with in accordance with the special power to be inserted in that behalf in the proposed Order.

Copies of the draft Order and of the Order, when made, can be obtained by any person at the price of one dollar each, at the office of the City of Williamstown, Municipal Offices, Williamstown, and at the office of the State Electricity Commission of Victoria, at 15 William Street, Melbourne.

Notices of objection and other documents may be served at the office of the applicant as aforesaid.

Every council, company, person or persons desirous of bringing before the State Electricity Commission of Victoria, by whom the Electric Light and Power Act, 1958, is administered, any objection respecting the application must do so, within three months from the date of the Government Gazette containing this advertisement, by notice addressed to the Secretary, State Electricity Commission of Victoria, 15 William Street, Melbourne, marked on the outside of the cover enclosing it — "Electric Light and Power Act, 1958". A copy of every such notice must also be forwarded to the applicant for the Order.

Dated this fifth day of March 1973.
J. E. MORLEY, Town Clerk.

W'town squash

Williamstown squash club results:

C grade, V. Keilor-Kitty Gabriel, 1-3, Ann Elliott, 1-3, Margaret Wurster, 1-3, Eril Maina, 3-2.
